

Welcome to Cherington

The Parish Council would like to welcome you to the village and help you settle in to your new home.

Our website has information about the village and local contacts/events and also some links to other websites that may prove useful: please see <https://cheringtonpc.org.uk/>

As well as a free monthly magazine, The Villager, there is a village email newsletter which provides information on social events. If you would like to receive this, please send your email address to Cllr Gegg (the phone number can be obtained from our website). Your details will be handled according to our data protection policies.

Please do not hesitate to contact one of the councillors or the parish clerk if you have any questions. The Parish Council are unable to make recommendations for local businesses, but councillors can help with information on a purely personal basis.

We hope to meet you at village events in the near future.
